

Project title : GREENHOODS - Final evaluation of the FFEM contribution to the Livelihoods investment fund				
Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Burkina Faso, Côte d'Ivoire, Madagascar, Mozambique, Senegal	40 000 €	Evaluation	AFD - French Development Agency, Livelihoods	September 2023 - December 2023
Project's goals and results				
Main goals Analyze the objectives and achievements undertaken as part of AFD's financing of the Livelihoods fund in terms of family farming, in order to provide a technical and strategic perspective on the financed projects. The analysis methods will use the 5 OECD criteria (relevance, effectiveness, efficiency, impacts, viability), while adding a territorial reading and inclusion in the economic markets concerned
