

Project title : ANAPAIX - Professional structuring of the cashew nut sector: a sustainable contribution to peace

Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Côte d'Ivoire	1 000 000 €	Coordination	EU - European Union, INADES	January 2004 - December 2008

Project's goals and results

Main goals

Improving the living conditions of the poor and the agro-ecological balance in 5 conflict-affected northern regions

Specific objectives

- Securing opportunities and increasing cashew revenues through a Quality and Management Training Program
- Diversify and increase employment by developing artisanal shelling and local consumption
- Implementation of a strategy and a national policy of industrial shelling

Beneficiaries

Cashewnut producers in 4 regions in the north of the country

Results

R1. 200 leaders and farmers trained in 4 northern regions

R2. 200 women and young people trained in processing and marketing techniques

R3. Revenue increase of 35 million euros/year

R4. Better protection of soil against erosion by planting cashew

R5. Reduction of North-South disparities

Activities

A1. Professionalisation of the raw nut sector "production - collection - marketing"

A2. Training in quality, management, economy of the industry

A3. Experimentation, training and technical and financial support for the artisanal sector

A4. Contribution to the consultation between public and private actors
