

Project title : GABOSC- Support to civil society organizations au Gabon

Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Gabon	100 000 €	Coordination	FSBO	July 2011 - July 2013

Project's goals and results

Main goals

Sustainably strengthen the organizational, mobilization, structuring and implementation capacities of CSOs working in the fields of health, the advancement of women, youth and the social sector

Specific objectives

- Promote the emergence of a legitimate, structured and competent Gabonese Civil Society
- Facilitate the participation of independent CSOs as legitimate and competent interlocutors of the state in identifying and defining development strategies

Beneficiaries

100 CSOs trained and accompanied directly

Results

R1. 100 CSOs were trained at PCM Project Cycle Management

R2. 10 CSOs had access to funding following a call for projects

R3. 150,000 € of grants was awarded to Gabonese CSOs

Activities

A1. Identify active CSOs and identify their training/support needs

A2. Training on the different modules (project cycle management, financing request ...)

A3. Regular counseling at the Mbandja Libreville Center

A4. Accompanying requests for financing (consulting, proofreading, structuring ...)
