

**Project title : MAFURA - Support in the implementation of a CSR action plan for the ylang-ylang sector in the Comoros**

Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Comoros	18 300 €	Technical assistance	Confidential	September 2025 - December 2025

**Project's goals and results**

**Main goals**

Following the diagnosis and living wage study on the Ylang-ylang sector in the Comoros, an action plan was proposed to ensure that activities and socio-economic conditions within the supply chain correspond to the client's CSR framework. It involves supporting local stakeholders in implementing this action plan.
