

Project title : NUTEVAL - Evaluation of a human rights due diligence project involving cashew nut cooperatives and women’s associations in Côte d’Ivoire

Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Côte d'Ivoire		Value chain expertise and field partner	GIZ, Nutwork, Cashew Coast	April 2026 - April 2026

Project's goals and results

Main goals

As part of a project in Côte d'Ivoire funded by GIZ's Due Diligence Fund (DDF), which aims to empower cashew cooperatives and women associations to become agents for human rights Due Diligence, Nitidæ was commissioned to assess the observable outcomes resulting from the project

Specific objectives

SO1. Carry out on-site checks and verify, on the basis of the deliverables, that the activities have been successfully carried out in the five target villages located in the Gbekê region
