Project place	Project cost	Role in the project	Technical and financial sponsors	Dates
Burkina Faso	2 000 €	Sesame expert	GIZ, INTERSEB - Interprofession du sésame au Burkina Faso	October 2018 - November 2018

Project's goals and results

Main goals

The overall objective of the mission is to take stock of the 2017-2018 sesame price setting process, draw lessons from this process and make recommendations for improving methodology for the campaigns to come up

Specific objectives

- Identify the strengths and weaknesses of the sesame pricing process during the 2017-2018 marketing year through a stakeholder survey
- Formulate recommendations for the definition and implementation of a sustainable mechanism of fixing and regulating prices adapted to the realities of the sesame sector

Beneficiaries

- The GIZ
- The State of Burkina Faso
- All the country's sesame producers

Results
