Chad	7 000 €	Sector and value chains expertise	PADL-GRN, EU - European Union	January 2016 - January 2016

Project's goals and results

Main goals

As part of the Local Development and Management of Natural Resources Support Program (PADL-GRN) N ° EDF / 2009 / 021-320 implemented in Chad, PADL-GRN asked RONGEAD to train partner NGOs' executives in value chains and family farming systems, in the center of Darda from 26 to 29 January 2016

Specific objectives

- Training
- Provision of the training module for PADL
- Writing of workshop report

Beneficiaries

30 Chadian national NGOs trained directlyProducers affected by these NGOs' projects

Results

R1. Members of 30 NGOs are trained and able to replicate training

R2. The module is finalized and made available to PADL and Chadian NGOs (below)

R3. Stakeholders in Chad have better control over the value chain approach and the entrepreneurial management of farming
